

Reflection Questions

Independent Work

Take a moment to look back and appreciate your learning progress. Identify your strengths, weaknesses, and goals to better understand your path to success. Here are some reflection questions to help you get started!

- 1 What was my most important takeaway from doing this project/assignment?
- 2 What was the biggest challenge I encountered?
- 3 What was my strategy to overcome this challenge? Was I successful? Why or why not?
- 4 If I were to restart this task, would I do anything differently? Why or why not?
- 5 Were there any roadblocks that got in the way of my progress? How did I overcome them?
- 6 How can I apply what I have learned from this task outside of the classroom?
- 7 What grade would I give myself on this task? Why?
- 8 How do I feel about this piece of work? What do I like? Dislike?
- 9 What was the most challenging part of this task? Why?
- 10 Did I make any interesting discoveries throughout the process?
- 11 What new skills, techniques, or perspectives was I introduced to in doing this activity?
- 12 Looking back I would like to work on...
- 13 Upon completion of this task, one goal I would like to set for myself is...
- 14 What is one of my biggest strengths, and how is it shown through this piece of work?
- 15 What is one goal I would like to set for myself moving forward?
