

SPECIFICATIONS OF A

Template Post

1. 🖋️ The teacher publishes a Template Post to the Class Space and/or Individual Space that is set to "Active". All selected students have their own copy of the same Post.
2. 👤 The teacher can individualize the Post by adding media attachments, applying individual Proficiency scores, additional Curriculum Tags, and personalized descriptive feedback in the Comments section without affecting ALL other Posts.
3. 👤 These students can also respond to the prompt or reflect in the Comments section.
